UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

* * *

AMY MARIE GRAY

Plaintiff,

v.

UNITED STATES DISTRICT COURT, *et*
al.,

Defendants.

Case No. 2:19-cv-00645-RFB-CWH

ORDER

This Court has an independent obligation, as a court of limited jurisdiction, to determine whether or not it has jurisdiction over a pending dispute or case. Henderson ex rel. Henderson v. Shinseki, 562 U.S. 428, 434 (2011). The Court has reviewed the Complaint in this case and finds that it lacks jurisdiction over this matter. Plaintiff raises various inchoate and unintelligible claims in her Complaint. The only clear claim Plaintiff seeks to raise is an attempt to reopen or challenge the judgement of a previously closed case in this Court, Gray v. City of Henderson, et al., 10-cv-00356-RCJ-RJJ. This case, however, has been dismissed and the appeal was dismissed. It has therefore been resolved and may not be reopened. She also appears to generally challenge state court actions over which this Court has no jurisdiction. As the Plaintiff has not stated a claim over which this Court has jurisdiction and as the Court finds that it cannot identify a potential claim from the Complaint, the Court dismisses this case for lack of jurisdiction.
